### **THE CONNECTICUT SPORTS MANAGEMENT GROUP INC.**

(CSMG.org) is a 501(c)(3) not for profit corporation Dedicated to managing the two largest amateur, multi-sport, Olympic-style sporting events in Connecticut: The Nutmeg State Games and the CT Masters' Games - (Formerly the CT Senior Games).

The Nutmeg State Games (NutmegStateGames.org) is recognized by the U.S Olympic Committee and by The National Congress of State Games as the Official State Games of CT and celebrates 30 years of "Helping Good Kids Make Good Choices" in 2018. The Masters' Games, now in its 40th year, were taken over by CSMG in 2002 and since that time has grown exponentially. Through the venue of competitive sports, we seek to contribute positively to the physical, mental and emotional growth of our athletes.

The Connecticut Sports Management Group Inc. believes that participation in athletics provides opportunities to develop leadership qualities such as hard work, self-confidence and mental and physical toughness. We also believe competitive athletics lays the foundation for positive lifelong habits that contribute to a healthy life style and teaches team work, sportsmanship and respect for others. The "Games" include participants from all religious, racial and socio- economic backgrounds and opponents are not determined by demographics. We encourage the camaraderie that develops through the common bond of athletics, and appreciation for the Olympic spirit that make the Games successful.

## FEATURED SPEAKER: RANDY EDSALL

Randy Edsall begins his second stint as the UConn head football coach after being with the program for 12 seasons from 1999-2010. He led the program from Division I-AA status in

1999 to an appearance in the Bowl Championship Series and the Tostitos Fiesta Bowl following the 2010 season.

Coach Edsall returns to UConn from the NFL's Detroit Lions where he was Director of Research -- Special Projects.

"It is an honor to have the opportunity to rejoin and lead the UConn program. I want to thank President Herbst, Athletic Director David Benedict and the rest of the administration for believing I am the right person to build this program and develop its student-athletes. I look forward to working with David, our student-athletes and the entire athletic department." During his time in Storrs, the program blossomed from a major college football newcomer to a team that made five bowl appearances in seven years and four consecutive. He has recorded the most wins in program history (74) and coached in the most games (144). In addition to being the winningest coach in school history, Edsall's coaching record in the school's first nine FBS seasons (2002-2010) was 65-46.

Edsall is the former chairman of the annual Southern New England Arthritis Foundation Gridiron Gala. He was on the advisory council of The Children's Home in Cromwell, Conn., a center for over 100 neglected and abused children, and also took part in several other charitable endeavors including serving in the past as the honorary chairman of the Greater Hartford American Heart Association Walk.

He and his wife, Eileen, a former basketball and volleyball letterwinner at Syracuse, have a daughter, Alexi and a son, Corey. \*
