2017 SPRING GOLF SCRAMBLE

Dear Friends of the "Games"

As you know, the Connecticut Sports Management Group, Inc. (Nutmeg State Games & Connecticut Masters' Games) runs only three (3) fundraising events each year; our very successful Directors' Club Banquet (held this past February at the Aqua Turf Club in Southington), our $10,000 cash prize raffle, and our high-end, very well attended, annual (our 25th) Spring Golf Scramble, which will be held this year at the newly Pro-designed Stanley Golf Course in New Britain. The philosophy of our Board of Directors since the inception of the "Games", has always been to be as least intrusive as possible – no telemarketing, no professional fundraising companies contracted with and as few requests for support from the corporate community as possible. By only offering three fundraising events each year, we believe we have remained true to our basic philosophy and feel strongly that this approach is the reason our fundraising events are so well received and attended. Hopefully you agree, and can find funds in your budget to participate in this year's event.
