TO BENEFIT:

Who We Are: Connecticut Sports Management Group, Inc. (CSMG.org) is a 501(c)3 not for profit corporation dedicated to managing the two largest amateur, multi-sport, Olympic-style sporting events in Connecticut: The Nutmeg State Games and the CT Masters' Games.

The Nutmeg State Games is recognized by the U.S Olympic Committee and by The National Congress of State Games as the Official State Games of CT and celebrates 32 years of "Helping Good Kids Make Good Choices" in 2020.

The Connecticut Masters' Games is recognized by the U.S. Olympic committee and the National Association of Senior Games as the Official Senior Games of CT. The Masters' Games, now in its 40th year, was taken over by CSMG in 2002 and since that time has grown exponentially.

Through the venue of competitive sports, The Connecticut Sports Management Group seeks to contribute positively to the physical, mental and emotional growth of our athletes. We believe that participation in athletics provides opportunities to develop leadership qualities such as hard work, self-confidence and mental and physical toughness. We also believe competitive athletics lays the foundation for positive lifelong habits that contribute to a healthy life style and teaches team work, sportsmanship and respect for others.

The "Games" include participants from all religious, racial and socio- economic backgrounds and opponents are *not* determined by demographics. We encourage the camaraderie that develops through the common bond of athletics, and appreciation for the Olympic spirit that make the "Games" successful!
